A Closer Look

Department of Homeland Security (DHS) Transportation Security Agency (TSA)

\$151M contract for program management, enrollment processing, financial services, and call center operations for transportation and parking services in support of 40,700 TSA employees at 131 airports across the United States.

National Science Foundation (NSF)

\$8.8M contract for facilities management, logistics, engineering, financial management, and strategic planning and operations for 30 arctic labs utilized by 25+ nations in support of 3,200 NSF employees and 318,000 researchers, as well as data sharing with both the Department of Defense (DoD) and the Intelligence Community (IC). QED has successfully augmented NSF's arctic requirements under three different contracts.

Defense Technology Security Administration (DTSA)

Top Secret Facility Clearance — \$600K contract for courier delivery services of Top Secret/Sensitive Compartmented Information (TS/SCI) material between the Pentagon, DoD, Department of State, Department of Commerce, and 20 agencies and commands within the National Capital Region (NCR). QED is responsible for chain-of-custody and guaranteed 4-hour delivery.

Treasury Bureau of Engraving & Printing (BEP)

\$9.3M contract for strategic operations and safety management in support of the 100-acre Western Currency Facility (WCF) in Fort Worth, Texas. QED's onsite team provides health and safety services, industrial hygiene, risk assessments, site inspections, regulatory compliance, employee training, call center operations, and incident investigations for 1,850 Treasury employees.

Department of Justice (DOJ) Federal Bureau of Investigation (FBI)

\$3.5M contract supported by 25 QED employees to provide 24/7 security operations, access control, and escort services for 300+ contractors during a 2-year renovation project of two FBI facilities in Washington, DC.

Department of Labor (DOL) Employment & Training Administration (ETA) Job Corps

\$4.4M contract to streamline and improve the cost-effectiveness of all facets of the Job Corps program. QED employs research and data analysts to centralize and standardize policy and records management for 300,000 students at 121 Centers across all six Job Corps regions, including development of procedures to augment submission of 1.2 million pages of student documentation per NARA regulations.

QED ENTERPRISES INC.

800 CORPORATE DR STE 301

STAFFORD, VA 22554

UEI# RW1NA7E92XR5

Dear Mark Witte,

The U.S. Small Business Administration's (SBA) Office of Business Development (BD) has determined QED ENTERPRISES INC. meets the 8(a) BD Program's social disadvantage requirement and continues to be eligible to participate in the 8(a) BD Program, including the award of contracts under 8(a) BD Program authority.

The participant has either substantiated the relevant owner(s) are socially disadvantaged in compliance with 13 CFR 124.103(c) or is an entity-owned small business and therefore is not required to do so (15 USC 637(a)(4)). The determination applies to any 8(a) joint venture for which the above-named participant is the managing venturer.

If you have any questions regarding this letter, please contact SBA at 8aquestions@sba.gov.

Sincerely,

***Donna L.
Peebles***
